DEDICATION OF THE  
NEW ODEON ORGAN.

**D**The new Odéon organ was dedicated on the 11th ult. A brilliant programme of organ music was specially prepared and rendered by Mr. Charles Galloway, the eminent organist. Mr. Galloway was admirably assisted by Miss Jessie Ringen and Edgar C. Lackland, Jr., in vocal selections and Mrs. Charles B. Rohland, piano accompanist. Mr. Galloway's playing throughout was above criticism and won him a well deserved ovation. Special praise is to be accorded the masterly performance of Mendelssohn's First Sonata.
