SPECIAL NOTICE TO ASSOCIATE MEMBERS.

I take pleasure herewith in notifying Associate Members of the Apollo Club, that at the annual meeting of the Club, held on Tuesday Evening, May 8th, Mr. Charles Galloway, having recently returned from abroad, where he went to complete his studies in music, was re-elected to his former position as Musical Director.

You have failed thus far to respond to the renewal notice for next season which was sent you, so that the liberty is taken of enclosing herewith another postal card, upon which please indicate your intention in this regard.

As contracts for artists for next season are now being entered into, it is necessary that this information should be forthcoming as soon as possible.

The dues (\$10) will not be payable until September.

Please do me the favor to reply immediately.

Yours very truly,

T. J. WRIGHT,
Secretary.
