

OFFICE OF THE GOVERNOR
STATE OF MISSOURI
CITY OF JEFFERSON

March 8, 1910.

Prof. W. H. Pommer,
University of Missouri,
Columbia, Mo.

My dear Professor:

I have your letter of March 5th. In view of the fact that Mr. Robyn is soon to leave Missouri, I suppose that he would hardly care to serve as a member of this Committee. I will write to Mr. Busch today and also to Mr. Kroeger asking them to serve as members of the Committee.

I would suggest that you go over the list of the leading musicians of the State and make me some further suggestions for the other two members. It might be well to select somebody from the Musical Department of some of our leading Universities, such as Washington University, William Jewell, or some of the State Normals. However, I will leave this matter for you to decide. It is, of course, more important to get the right man than it is to consider the institution from which he comes or the town in which he lives.

Very truly yours,

Governor.
