Dear Mr. Pummer:

I want to tell you how much I appreciate your having directed your publisher, H. Kahler, to send me a copy of your Op. 21, which I received about a week ago.

I am very pleased indeed to possess a copy of this remarkable composition, which I am hoping I may hear performed one of these fine days. And I will not forget to write H. Kahler to acknowledge receipt of and to thank him for a professional copy of your ~~Quintet~~.

With hearty congratulations and all good wishes, believe me to be,

Cordially,
Charles Galloway
