# Christmas Hymn

## I

It came upon the midnight clear,  
That glorious song of old,  
From angels bending near the earth,  
To touch their harps of gold.  
Peace to the earth, good will to men,  
From Heaven's all gracious King,  
The world in solemn stillness lay,  
To hear the angels sing.

## II

And ye, beneath life's crushing load,  
Whose forms are bending low,  
Who toil along the climbing way,  
With painful steps and slow,  
Look, now! for glad and golden hours  
Come swiftly on the wing,  
O, rest beside the weary road,  
And hear the angels sing.

## III

For lo, the days are hastening on,  
By prophet bards foretold,  
When with the ever-circling years,  
Comes 'round the age of gold;  
When peace shall over all the earth,  
Its ancient splendor fling,  
And the whole world give back the song,  
Which now the angels sing.
