Souls of the righteous in the hand of God, nor hurt, nor torment cometh them anigh. O holy hope of immortality. To eyes of men unwise they seem to die; they are at peace; O fairest liberty. On earth as children chastened by Love's rod as gold in furnace tried, so now on high they shine like stars, a golden galaxy.

Lift up thine eyes round about thee and see; they all gather themselves together; they come to thee. Thy sons shall come from afar, Thy daughters shall be carried in the arms.
