Dear Mr. Kroeger:-

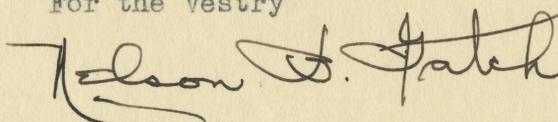

As the time approaches when our new organist, Mr. Ringgenberg, will take up his duties, the Vestry desires to acknowledge your splendid services to St. Peter's Church since you took charge of the Music and the Choir last March and to thank you for your loyalty to and interest in the Church.

Without your help the Vestry would have been seriously handicapped in a period when help was greatly needed. We want you to know that not only the Vestry but many members of the Congregation have expressed their admiration for your painstaking care in furnishing such beautiful music in the Church.

With every good wish for your continued happiness, I am

Very sincerely yours,
