Mr. Nelson B. Gatch

St. Peter's Episcopal Church

City

Dear Mr. Gatch -

Your very kind letter is at hand.

I appreciate very much the sentiment expressed by you and by the vestry regarding my work as organist of St. Peter's since last March. I was glad to carry on at a very difficult period, and that the work of the chorus choir has been considered as being of an excellent quality since Mr. Galloway's death is a source of great satisfaction to me.

The members of the choir have been most cordial to me in our relations as chorus and director. I also have been the recipient of many kind expressions of appreciation on the part of the parishioners of the church.

Believe me,

Yours very sincerely,

ERK
